## About us

EASYGO Engineering Solutions had its humble beginning in February 2013 established by Mr.M.Sekar at Chennai, Tamil Nadu with the base of expertise in Electric Vehicles field, which has now expanded its wings of services to a great extent covering customers nationally and internationally and meeting their requirements.

Empowering on clean and green India as a motive, we became a powered, innovated and all time service oriented company in the Industry. We rely on growth of creativity,

We are now fully fledged in delivering our products Supply, Service, Rental and Refurbishment of Battery Operated Equipments to all our Customers.
